

European Online Job Day – Ireland, 4 May 2017

‘Cork where IT is @.....check IT out’

Are you a jobseeker with software/ IT skills or Business Service skills looking to develop your career?

Fluent in German, French, English or any other European language?

Could you ever imagine progressing your career and working for Apple, Dell, Google or Logitech?

We are looking for people like YOU to join Ireland’s booming technology sector!

Cork is particularly strong in the Technology and Global Business Services sectors. The thriving technology industry in Cork offers exciting career opportunities whether you want to work for a tech giant or a dynamic smaller company developing leading edge technologies of the future.

‘Cork where IT is @...check IT out’ European Job Day will be broadcasted from The Republic of Works in Cork on Thursday, 4th May 2017. There are some great employers participating, including: **Apple, Dell, Google/ Zevas Communications, Logitech, GlobeTech, RCI, VoxPro, Starwood, HCL Technologies, Johnson Controls, Skywork Solutions, etc.**

Through the event’s website and its interactive elements you will be able to search and apply for jobs that match your profile in advance of the event, make contact with employers and book one or more job interviews. We go live on the 4th of May when you can join us for company presentations, ask questions and chat with Irish employers and other exhibitors. Furthermore, you will be able to attend virtual presentations on ‘Your First EURES Job’/ ‘Reactivate’ (European financial supports available when moving for work to another country).
